Interior Designer Responsibilities

Interior designers plan the design of living and commercial environments. They then manage the work of turning their ideas into a reality. They need to design a space that is practical for its purpose as well as visually pleasing.

- ❖ Outline client design objectives.
- ❖ Conceptualize and sketch design plans.
- ❖ Determine cost of completion and project requirements in the budgeting phase.
- ❖ Set a timeline for the completion of an interior design project.
- ❖ Source materials and products included in plans.
- ❖ Create 'mood boards' to sample your design vision.
- ❖ Utilize computer applications in the design process.
- ❖ Inspect design after completion to determine whether client goals have been met.

OUR TEAM

A lot of repeat business reflects the trust and value our clients place in our experienced staff. Offering most of the essential services in-house also contributes to better execution of projects by streamlining the team's communication and helps in delivering the projects in the given period and manage the costs effectively.
